Dear Mr. Datta :

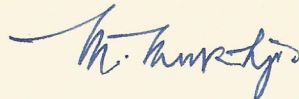

Mr. Ramkrishna Sinha, your representative, handed me a letter dated 19th April 1982, inviting me to go to North America and to sing in six musical functions being organised by the Tagore Society of New York in May—June 1983. I am very glad to inform you that your invitation has been received with immense happiness.

In this regard, I remember I had a prolonged discussion with you and Mr. Ramkrishna Sinha at my residence. As I have been informed that Tagore Society is absolutely a cultural and non-profitteering organisation, the question of remuneration would never arise but I shall of course expect that your organisation will arrange everything and take all care and full responsibility for me and my family (my wife M/s. Bela Mukherjee and my daughter Miss Manashi Mukherjee) and my Tabla accompanist Mr. Monindra Natta for our nearly one-~~and~~-half months' scheduled trip to North America.

I hope that after registering this as my consent, there shall be no more problems in the way of the trip.

Thanking you,

Yours sincerely,

(MANABENDRA MUKHERJEE)
