Dear Mr. Dutta,

I was most happy to receive ( on 5.5.1982) from Sri. Ramkrishna Sinha -  
Representative in India of the Tagore Society of New York- your sponsorship  
letter for the projected Vocal Music Festival in the U. S. A. and Canada  
set for June, 1983.

While on tour, I will remain personally bound to honour the rules and  
regulations of your organisation. Also from <sup>my</sup> side, there shall be ~~no~~ no  
question of or demand for any remuneration or financial compensation  
for the Six Musical Festivals that I shall be involved in. But I shall  
of course expect that your organisation will arrange everything and take  
complete responsibility for my One-and-half months' scheduled trip to  
U.S. A. and Canada.

I hope that after registering this as my consent, there shall be no more probl  
-ems in the way of the trip .

Sincerely Yours,
